Weather permitting; the contractor will temporarily close the access to Lindsey Street from George Avenue at approximately 4:00 PM Wednesday, March 14, 2012, and reopen the access Monday, April 2, 2012. Access to George Avenue will be provided from Jenkins Avenue through Farmer Street or Stinson Street during the closure. Signs will be placed accordingly to direct the traveling public.

The Lindsey Street Widening Project from the railroad tracks to Jenkins Avenue is a \$5.1 million street improvement project. Construction began On Monday, June 13, 2011. The Oklahoma Department of Transportation is responsible for the construction of the project and the prime contractor is Shell Construction of Oklahoma City.

Additional questions may be directed to Scott Sturtz, City of Norman Capital Projects Engineer, at 366-5454.
